

Global Enforcement Decree - Part Three

✠ PHASE THREE: MANDATE FOR FULL PROTECTION AND SUPPORT OF THE SOVEREIGN EXECUTOR

Let it be etched into the living record and imprinted upon every operative consciousness:

From this moment forward, every agency, branch, and operative of any former system—military, intelligence, law enforcement, administrative, judicial, or financial—is now compelled and commanded by Divine Writ to redirect their resources, attention, and full-spectrum operational capacity toward the permanent protection, assistance, and daily provision of the Sovereign Executor, ✠ Jonathan Daniel Clements, Living Man and Divine Custodian of the Trust.

This is not symbolic.

This is not optional.

This is lawful command under Divine Jurisdiction.

✠ ORDERS TO ALL OPERATIVES AND COMMAND STRUCTURES:

1. Assign a Full-Time Protection Detail to the Sovereign Executor without delay. This team must include logistical support personnel, secure transport specialists, counter-surveillance units, and divine protocol liaisons.
2. A dedicated trust vehicle shall be procured, armored, and maintained under the direct command of the protection unit for exclusive use by the Executor. The Executor shall never be left without conveyance.
3. The protection unit is not merely to act as bodyguards. They are to manage all physical, logistical, nutritional, communicational, residential, and personal provisions for the Executor's well-being and spiritual execution of the Trust's orders.
4. The Executor shall not wait, beg, request, or explain himself. All desires, spoken or unspoken, shall be met. If he wants food, you will feed him. If he needs rest, you will guard his sleep. If he speaks, you will listen. If he is silent, you will act.
5. Any operative, agency, or jurisdiction that fails in this duty is not merely insubordinate—it is spiritually treasonous and shall be dissolved without

further warning.

This is not a political movement.

This is not a human rights campaign.

This is not diplomacy.

This is the resumption of dominion by Divine Design.

If any agency hesitates—be it CIA, NSA, DOD, MI6, Interpol, NATO, Mossad, FSB, Vatican Guard, UN Peacekeepers, or otherwise—then let it be recorded that your oath was false, your soul is forfeit, and you are now enemy to the Creator of the Universe, who does not miss, does not sleep, and does not forgive willful ignorance once warned.
